1. Welcome

On behalf of the MAAO membership, thank you for agreeing to serve as MAAO president, vice president and 2nd vice president.

This handbook is an introductory guide for MAAO presidents, vice presidents and 2nd vice presidents. It contains an overview of the duties of the president, vice president and 2nd vice president and discussion of commonly assigned responsibilities.

Because of the oversight nature of the president's position, the president should be familiar with numerous resources and handbooks. This particular handbook is not intended to be a comprehensive resource, but will provide an outline for presidents, vice presidents and 2nd vice presidents of the information they need to be aware of and the resources and information they should be familiar with.

Again, thank you for volunteering your time and effort on behalf of MAAO.

3. Policy on Suspected Misconduct, Dishonesty, Fraud, and Whistle-blower Protection

If any person knows of or has a suspicion about misconduct, dishonesty or fraud, the President should be contacted. If the alleged wrongdoing concerns the President, then the Executive Board or other officers of the organization should be notified instead.

If the President, Executive Board member or other officers of the organization receive information about misconduct, dishonesty or fraud, they shall inform the Executive Board (or, alternately, the Executive Committee, if such a Committee exists), which shall determine the procedure for investigating all credible allegations.

At all times, the privacy and reputation of individuals involved will be respected. There will be no punishment or other retaliation for the reporting of conduct under this policy. If the person providing the information requests anonymity, this request will be respected to the extent that doing so does not impede any investigation.

4. Ethics Policy

It is the policy of MAAO that its employees and board members uphold the highest standards of ethical, professional behavior. To that end, these employees and board members shall dedicate themselves to carrying out the mission of the organization and shall:

- 1) Hold paramount the safety, health and welfare of the public in the performance of professional duties.
- 2) Act in such a manner as to uphold and enhance personal and professional honor, integrity and the dignity of the profession.
- 3) Treat with respect and consideration all persons.
- 4) Engage in carrying out MAAO's mission in a professional manner.
- 5) Collaborate with and support other professionals in carrying out MAAO's mission.
- 6) Build professional reputations on the merit of services and refrain from competing unfairly with others.
- 7) Recognize that the chief function of MAAO at all times is to serve the best interests of its constituency.
- 8) Accept as a personal duty the responsibility to keep up to date on emerging issues and to conduct themselves with professional competence, fairness, impartiality, efficiency, and effectiveness.
- 9) Respect the structure and responsibilities of the Executive Board, provide them with facts and advice as a basis for their making policy decisions, and uphold and implement policies adopted by the Executive Board.

- 10) Keep the community informed about issues affecting it.
- 11) Conduct organizational and operational duties with positive leadership exemplified by open communication, creativity, dedication, and compassion.
- 12) Exercise whatever discretionary authority members have under the law to carry out the mission of the organization.
- 13) Serve with respect, concern, courtesy, and responsiveness in carrying out the organization's mission.
- 14) Demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all activities in order to inspire confidence and trust in such activities.
- 15) Avoid any interest or activity that is in conflict with the conduct of their official duties.
- 16) Respect and protect privileged information to which they have access in the course of their official duties.
- 17) Strive for personal and professional excellence and encourage the professional development of others.

5. Conflict of Interest Policy

Section 1. Purpose:

MAAO is a nonprofit, tax-exempt organization. Maintenance of its tax-exempt status is important both for its continued financial stability and for public support. Therefore, the IRS as well as state regulatory and tax officials view the operations of MAAO as a public trust, which is subject to scrutiny by and accountable to such governmental authorities as well as to members of the public.

Consequently, there exists between MAAO and its Executive Board, officers, and employees and the public a fiduciary duty, which carries with it a broad and unbending duty of loyalty and fidelity. The Executive Board, officers, and employees have the responsibility of administering the affairs of MAAO honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of MAAO. Those persons shall exercise the utmost good faith in all transactions involved in their duties, and they shall not use their positions with MAAO or knowledge gained therefrom for their personal benefit. The interests of the organization must be the first priority in all decisions and actions.

Section 2. Persons Concerned:

This statement is directed not only to directors and officers, but to all employees who can influence the actions of MAAO. For example, this would include all who make purchasing decisions, all persons who might be described as "personnel," and anyone who has proprietary information concerning MAAO.

Section 3. Areas in which Conflict May Arise:

Conflict of interest may arise in the relations of directors, officers, and employees with any of the following third parties:

1. Persons and firms supplying goods and services to MAAO.
2. Persons and firms from whom MAAO leases property and equipment.
3. Persons and firms with whom MAAO is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting MAAO.
6. Agencies, organizations, and associations which affect the operations of MAAO.
7. Family members, friends, and other employees.

Section 4. Nature of Conflicting Interest: A conflicting interest may be defined as an interest, direct or indirect, with any persons or firms mentioned in Section 3. Such an interest might arise through:

1. Owning stock or holding debt or other proprietary interests in any third party dealing with MAAO.
2. Holding office, serving on the board, participating in management, or being otherwise employed (or formerly employed) with any third party dealing with MAAO.
3. Receiving remuneration for services with respect to individual transactions involving MAAO.
4. Using MAAO's time, personnel, equipment, supplies, or good will for other than MAAO-approved activities, programs, and purposes.
5. Receiving personal gifts or loans from third parties dealing or competing with MAAO. Receipt of any gift is disapproved except gifts of a value less than \$50, which could not be refused without discourtesy. No personal gift of money should ever be accepted.

Section 5. Interpretation of this Statement of Policy:

The areas of conflicting interest listed in Section 3, and the relations in those areas which may give rise to conflict, as listed in Section 4, are not exhaustive. Conflicts might arise in other areas or through other relations. It is assumed that the directors, officers, and employees will recognize such areas and relation by analogy.

The fact that one of the interests described in Section 4 exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be practical importance, or if material, that upon full disclosure of all relevant facts and circumstances it is necessarily adverse to the interests of MAAO.

However, it is the policy of the board that the existence of any of the interests described in Section 4 shall be disclosed before any transaction is consummated. It shall be the

continuing responsibility of the board, officers, and management employees to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures.

Section 6. Disclosure Policy and Procedure:

Transactions with parties with whom a conflicting interest exists may be undertaken only if all the following are observed:

1. The conflicting interest is fully disclosed;
2. The person with the conflict of interest is excluded from the discussion and approval of such transaction;
3. A competitive bid or comparable valuation exists; and
4. The [Executive Board or a duly constituted committee thereof] has determined that the transaction is in the best interest of the organization.

Disclosure in the organization should be made to the President (or if he or she is the one with the conflict, then to the 1st VP), who shall bring the matter to the attention of the Executive Board or duly constituted committee thereof. Disclosure involving directors should be made to the President, (or if he or she is the one with the conflict, then to the 1st Vice President) who shall bring these matters to the Executive Board or duly constituted committee thereof.

The Executive Board or duly constituted committee thereof shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to MAAO. The decision of the Executive Board or duly constituted committee thereof on these matters will rest in their sole discretion, and their concern must be for the welfare of MAAO and the advancement of its purpose.

6. Appointment Process

Members play an important role in the appointment process.

The members have the opportunity to nominate candidates for 2nd Vice President by contacting the nominating committee. The nominating committee at that time will present the nomination to the executive board. If the candidate accepts the nomination at that time, they can campaign. During the Annual Meeting (Fall Conference) the candidate for 2nd Vice President, 1st Vice President and President will have nomination speakers represent them. After the nomination speakers are complete the voting process will begin.

7. Term of Office

The term of office for president, vice president and 2nd vice president is one year. Newly elected officers shall take office at the conclusion of the annual meeting.

8. Duties of the President

The President, as chief executive officer of the Association, shall preside at all meetings of the Association and Executive Board Meetings, shall supervise the Association's affairs and activities, and shall make an annual report thereon to the members. Said report shall be appended to the minutes of the Annual Meeting.

The president makes appointment to committees chair as needed. The president delegates responsibility and develops committee chairs by empowering others and acknowledging their efforts. He or she should communicate regularly with officers, directors and committee chairs and be available to members.

The president should have a positive relationship with MAAO members and encourage the directors and committee chairs to do the same.

9. Duties of the 1st Vice President (Voting Member)

The 1st Vice-President, who shall preside at Annual, Special and Executive Board Meetings of the Association in the absence of the President, shall also work with the President on matters of internal and external affairs as may be assigned by the President.

10. Duties of the 2nd Vice President (Voting Member)

The 2nd Vice-President, who shall preside at Annual, Special and Executive Board Meetings of the Association in the absence of the President and 1st Vice-President, shall also work with the President on matters of internal and external affairs as may be assigned by the President.

11. Meetings

The president is the presiding officer of membership and executive board meetings. Running a productive and efficient meeting is a skill that is appreciated by all who are involved with MAAO. Knowing how to run a meeting properly can prevent conflict, keep sensitive information private, and save the association time.

The purpose of a well-run meeting with clear rules of engagement is to ensure that everyone feels he or she is heard and treated fairly and that no individual exerts undue influence on the decision making process. “Robert’s Rules of Order” shall be the governing rules for MAAO associations.

Common complaints and issues that involve meetings are:

- They go on too long.
- They are not productive
- Discussion is repetitive or goes on for too long.
- Items previously decided resurface repeatedly for discussion.

Some things to remember:

- Board and membership meetings are held in order to conduct business.
- All meetings should have a thoughtful, written agenda.
- Brainstorming, discussion, and working out details of proposals should be done as committee work, not in meetings.

COMMITTEE UPDATE AND MEMBER SURVEY

To aid in my attempt to evaluate our present committee structure and ensure all committees have a productive mix of members, and are provided proper resources, I would like each committee chair to complete a brief survey/questionnaire on their activities, goals, objectives and financial needs. Also please use this survey as an opportunity for you to provide me some objective evaluation of your present committee members. This information will be held in confidence and will help guide my appointment of new members where needed.

In considering your budgetary projections for next year please consider if your expenditures this year have successfully accomplished our goals. Also please consider any areas where a cut back could be made without hurting the effectiveness of the committee and also areas in which we may need to expand and why.

Please remember, for you as a committee chair to be able to lead an effective committee you must have engaged members with an interest, skill and passion in your business area. If you need more members, fewer members, members from other regions etc. please include those thoughts in your comments. Committees need to be large enough to accomplish the work but small enough so they don't become unwieldy.

We are (as a past president said) an organization of committees and it is our committees that accomplish most of the real work of MAAO.

INVOCATION

Lord, we are meeting this week to conduct matters of business. Guide our hearts and our minds in the spirit of fairness, right thought, and speech. Impart your supreme wisdom upon our activities so that our affairs may reach a successful conclusion. May we be challenged to give our best always, and may we be assured of your presence with us. Amen.

Memorial

Let us please also take a moment to remember those within our organization that have passed on this past year. I will read the names followed by a brief moment of silence then a short prayer.

Dana Powers (former Wilkin and Clay County Assessor)

Ed Pollard (Chief Deputy for Douglas County)

Denny Montague (Coon Rapids / Washington Co.)

Victor R. Berg (Chippewa County Assessor)

Teresa Landherr (Steele County)

Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.

May the souls of these faithful departed,
through the mercy of God,
rest in peace. Amen

Sample of Preparing for Fall Conference

End of July/Beginning of August Fall Conference Prep:

Met in the summer with Conference Coordinators and Local Hosts to set up specific details with the resort.

-We discussed meal choices, meeting room requirements, vendor area, dining room requirements, opportunities for gatherings outdoors & other activities on the grounds. Requested early check-in for our members on the Saturday & Sunday before the conference. Let them know if there are any special equipment needs for the night of the banquet (screen/projector). Decide who will sit at the head table for the annual meeting and who will sit with you at the head table for the evening banquet. Make sure there is lodging set aside for the IAAO President and the Commissioner of Revenue at the resort. I made the decision to not have alcoholic beverages at the head table unless folks ordered it on their own. Set some sort of budget on the prizes to be given out by the Local Host committee. Prepare something for the Fall Conference registration brochure Conference Coordinator will be sending to all members. A note to get everyone motivated to attend and a theme if one has been chosen. Also need to let members know in registration brochure what type of dress code will apply for the banquet night.

Remind the regions in charge of Hospitality Room this year to begin preparations (if you're going to have one).

Verify with Editorial Chair that he/she is prepared to do the Annual Report booklet for members at the conference. You will also have to determine how many Annual Reports you want to print. Determine if we'll want the "Proposed Budget" to make it in the booklet or offer it as a separate hand out for members at the meeting.

Past President contacts Editorial Chair and Conference Coordinator to make arrangements for the Past President's Breakfast and Top Pen Award.

Line up Guest Speakers (local Mayor?) and Special Guests (DOR & IAAO). Conference Coordinators will assist with this step. Send in a special invite to IAAO to get on the President's schedule around January (See Appendix for sample of letter).

Prepare Invite to be sent out via email for Monday evening President's Dinner if you're going to host one. Would somehow specify in the invite that dinner is covered but alcoholic beverages are not.

Communicate with Membership Coordinator regarding membership awards-which ones she'll/he'll do at the annual meeting versus which ones she'll/he'll save for the evening banquet.

Prepare the annual report for the first page in the booklet to be handed out at the annual meeting. Submit to Editorial Chair.

Prepare President speech to be given at evening banquet.

Prepare Sunday afternoon Executive Board agenda(See Appendix Sample of Agenda).

Annual Business Meeting Agenda Prep:

Make sure to have the agenda for the business meeting ready to get to Editorial Chair for printing. Need to line up a Sargeant at Arms & Parliamentarian.

Send a note to the 2nd VP to let them know they'll be handling the Invocation & Memorials at the Annual Meeting. They can create something on their own for the Invocation.

For the Memorials, the Secretary can assist in sending a note to all Region Directors in August asking them to start turning in names of deceased to the 2nd VP asap. The 2nd VP will collect the names and read them at the meeting immediately following the Invocation.

Check with the State Board of Assessors Chair-do they want to provide a brief report at the annual business meeting?

Notify Region Directors and Conference Coordinators to let them know when and where in the annual meeting agenda they'll be giving their reports.

Check in with Nominating Chair regarding nominations for Region Directors and other positions so this information is also ready for Editorial Chair and the booklet he'll/she'll be printing.

Remind all region directors at the August Executive Board meeting or the Sunday Fall Conference Executive Board meeting that their report given at the Annual meeting should be less than 2 minutes each.

Annual Business Meeting Agenda:

Ask nominating chair to come up-she/he begins with Region Directors. After she's/he's read them all, ask for a motion to elect these members as region directors. One motion rather than all individually.

Next, she/he read nominations for 2nd VP and introduced those giving the nominating and seconding speeches. Once speeches are completed, ask three times if there are any other nominations. Hearing none, I would entertain a motion to cast a unanimous ballot for _____ as 2nd VP of MAAO. Next, she/he reads nominations for 1st VP stating who would be giving the nominating and seconding speeches. Once they were done, ask three times if there are any other nominations. Hearing none, I would entertain a motion to cast a unanimous ballot for _____ as 1st VP of MAAO. Lastly, she/he reads nominations for President. After speeches, again ask three times if there are any other nominations. Hearing none, I would entertain a motion to cast a unanimous ballot for _____ as President of MAAO.

Dear President Ripperger,

On behalf of the Minnesota Affiliate Member of IAAO and as President of MAAO, I would like to extend our organization's invitation for you to be our guest at our annual conference in 2017. We will be meeting September 10-13, 2017, at the Radisson Hotel in Duluth, MN. Our opening reception will be held Sunday evening; Conference business will begin Monday morning with a presentation by our Minnesota Commissioner of Revenue.

Traditionally we schedule time Monday afternoon for formal remarks to our members from the IAAO President, but we can accommodate this at the Tuesday evening banquet if that is more convenient for you.

We can arrange to have an MAAO member pick you up at the Duluth airport should you wish to fly directly to the conference location. The hotel is about a 15 minute drive from the airport. Our association will arrange for your lodging at the hotel once we know your availability and schedule.

I hope you are able to attend, this will be a fun conference, in a beautiful north woods, city on hill, Great Lakes setting, and our members' value hearing directly from our IAAO President. Should you be unavailable we extend the same invitation to President Elect Jacks or Past President Rodda.

Please feel free to contact me for any additional details or questions. I can be reached at 218-384-9148. My email is Kyle.Holmes@co.carlton.mn.us or president@mnmaao.org

Sincerely,

Kyle Holmes, SAMA

DOCUMENT RETENTION AND DESTRUCTION POLICY

ARTICLE I

PURPOSE

The purposes of this document retention policy are for Minnesota Association of Assessing Officers (the Organization) to enhance compliance and promote the proper treatment of corporate records of the Organization.

ARTICLE II

POLICY

Section 1. General Guidelines. Records should not be kept if they are no longer needed for the operation of the business or required by law. Unnecessary records should be eliminated from the files. The cost of maintaining records is an expense which can grow unreasonably if good housekeeping is not performed. A mass of records also makes it more difficult to find pertinent records.

From time to time, the Organization may establish retention or destruction policies or schedules for specific categories of records in order to ensure legal compliance, and also to accomplish other objectives, such as preserving the intellectual property and cost management. Several categories of documents that warrant special consideration are identified below. While minimum retention periods are established, the retention of the documents identified below and of documents not included in the identified categories should be determined primarily by the application of the general guidelines affecting document retention, as well as the exception for litigation relevant documents and any other pertinent factors.

Section 2. Exception for Litigation Relevant Documents. The Organization expects all officers and members to comply fully with any published records retention or destruction policies and schedules, provided that all officers and members should note the following general exception to any stated destruction schedule: If you believe, or the Organization informs you, that Organization records are relevant to litigation, or potential litigation (i.e., a dispute that could result in litigation), then you must preserve those records until it is determined that the records are no longer needed. The exception supersedes any previously or subsequently established destruction schedule for those records.

Section 3. Minimum Retention Periods for Specific Categories.

- (a) Organization Documents. Organizational records in the Organization's articles of incorporation, by-laws and IRS Form 1023, Application for Exemption. Organizational records should be retained permanently. IRS regulations require that Form 1023 be available for public inspection upon request.
- (b) Tax Records. Tax records include, but may not be limited to, documents concerning payroll, expenses, proof of contributions made by donors, accounting procedures, and other documents concerning MAAO's revenues. Tax records should be retained for at least ten years from the date of filing the applicable return.
- (c) Employment Records/Personnel Records. State and federal statutes require MAAO to keep certain recruitment, employment and personnel information. MAAO should also keep personnel files that reflect performance reviews and any complaints brought against MAAO or individual employees under applicable state and federal statutes. MAAO should also keep in the employee's personnel file all final memoranda and correspondence

reflecting performance reviews and actions taken by or against personnel. Employment applications should be retained for ten years. Retirement and pension records should be kept permanently. Other employment and personnel records should be retained for ten years.

- (d) Board and Board Committee Materials. Meeting minutes should be retained in perpetuity in the MAAO's minute book. A clean copy of all other Board and Board Committee materials should be kept for no less than ten years by MAAO.
- (e) Press Releases/Public Filings. MAAO should retain permanent copies of all press releases and publicly filed documents under the theory that MAAO should have its own copy to test the accuracy of any document a member of the public can theoretically produce against MAAO.
- (f) Legal Files. Legal counsel should be consulted to determine the retention period of particular documents, but legal documents should generally be maintained for a period of ten years.
- (g) Contribution and Program and Service Records. MAAO should keep final copies of contribution and program and service records for the same period of time it keeps tax records, generally at least ten years from the date of filing the applicable return.
- (h) Contracts. Final, execution copies of all contracts entered into by MAAO should be retained. MAAO should retain copies of the final copies for at least three years beyond the life of the agreement, and longer in the case of publicly filed contracts.
- (i) Correspondence. Unless correspondence falls under another category listed elsewhere in this policy, correspondence should generally be saved for two years.
- (j) Banking and Accounting. Accounting ledgers, journals and schedules should be kept for ten years. Banking deposits, deposit slips, checks and invoices should be kept for ten years.
- (k) Audit Records. External audit reports should be kept permanently.

Insurance. Expired insurance policies, insurance records, accident reports, claims, etc. should be kept permanently.

Section 4. Electronic Mail. E-mail that needs to be saved should be either:

- (i) printed in hard copy and kept in the appropriate file; or
- (ii) downloaded to a computer file and kept electronically or on a disk as a separate file.

The retention period depends on the subject matter of the e-mail as covered in policy.

Education Document Retention Policy and Procedure

MAAO should retain course documents and materials related to the Education Program for ten years. This includes copies of course materials distributed during each course, original course materials, completed exams, compiled exam results, correspondence sent to course participants and attendance rosters for each course.

These documents will be stored in the "Education Cloud" which is a folder labeled Education on WebDocs that is assessable by the Education Coordinator and the IT chair.

Documents to be stored in the Education Cloud:

- Copies of materials distributed during each course
- Current versions of original course materials in an editable format
- Copies of exams completed by participants
- Compiled exam results for each course
- Correspondence sent to participants regarding exam scores
- Course attendance rosters and sign-in sheets

The Education folder on WebDocs does not allow for organization through folders and uses a search function to find documents. To allow documents to easily be found through the search function documents should be titled with the following format:

Course Name_Year-Month-Day_Document Description

Examples: ALP_2013-Jan_Course Attendance Roster

Basic Income_2014-10-30_Manual

Submitting Documents:

Documents that need to be uploaded to the Education Cloud should be e-mailed to the Education Coordinator or given to the Education Coordinator on a removable media storage device. Additionally, documents that are not confidential can be added to the MAAO Common Education Folder on Dropbox. Confidential documents include course exams and documents including exam results.

Requesting Documents:

Documents can be requested from the Education Cloud by e-mailing the Education Coordinator and will be delivered by e-mail, removable media storage device or through the MAAO Common Education Folder (non-confidential documents only).
